Good Morning Breannah:

It was a pleasure meeting you last week and discussing some of the activities an On-Scene Coordinator may perform. Below/attached I have provided some of the information we discussed.

[Niagara Falls Boulevard Site](#)

[Wolff Alport Radiological Response Action](#)

[EPA PPE Definitions](#)

I have attached an operating manual for the outdated survey instrument I lent you. Hopefully, this will give you more information on what it did.

Please refresh my memory on any other information I was supposed to provide.

Thanks,

E

Regards,
